The Editor's Desk

By: Ana Danz

Eighth grade is back and better than before leading to our last day. Twenty four more school days until 8th grade is sent off to high school. The year just flew by, but our 8+ years sure haven't.

So that got us thinking about all the things we've done throughout the years as Rosemont Cobras. I asked my classmates about the events and memories they will always remember. We started thinking about things we did in Kindergarten. We thought about our trip to Pirates Cove, the gold coins we received for good behavior, and the gingerbread cookies from market day.

First grade memories included our field trip to see the Chinese Acrobats, our penguin unit, and writing our first ABC books.

In second grade we created cereal boxes, learned about sharks and monkeys, and had watermelon week.

Third grade will always be remembered as the "Rosemont Unit" and learning all about Native Americans.

In fourth grade we learned about the 50 states and how much fun the Iditarod race is to watch.

Fifth grade opened many doors for us. It was the first year we could represent Rosemont by trying out for sports and went to the end of the picnic for the last time.

You're finally part of the junior high when sixth grade arrives, and before you know it, you're heading to Springfield and able to vote for class President.

Seventh grade will always be remembered at the White Pines year and all the fun we had!

So, that leaves us with eighth grade memories. Be sure to check out my final article in May. What a year it's been...one more month of our reign and we're out.

...to be continued

From the President...

By: Jimmy Traficanti

Our trip to Washington is only one week away. It's hard to believe that all of our fundraising efforts are being rewarded as we embark on our final field trip as Rosemont Cobras.

From our community service starting last July, to our Savory Sweets orders that we just delivered to all of our customers, without your support, our 8th grade class would never be going to Washington. Thank you so much for helping us reach our goals!

Our trip to Washington will be very educational as well as a lot of fun! We will be visiting many historical monuments such as the White House, Gettysburg, and the National Archives.

Not only are we visiting many monuments, but we are also going to be creating a Powerpoint presentation on a historical monument or building that we have visited during our trip.

Please be sure to read my last article as Class President as I report on our trip to Washington!

Girls' Soccer

By: Cara Gobenciong & Lina Alhasan

Our final sport is here! The girls are getting ready to play their first game. Practices are going great so far. We're all really excited to start off our season with a home game today against Elm Middle School. We are very confident and ready to win our first game. Come and cheer us on! Thank you Coach Williams for all your hard work!

4/17/19|Home|Elm
4/22/19|Away|Hester
4/23/19|Away|Union Ridge
4/29/19|Home|River Grove
4/30/19|Away|Mannheim
5/1/19|Home|Pennoyer
5/6/19|Home|Rhodes
5/7/19|Away|Lincoln
5/8/19|Home|Giles

Our Team Roster

Lina Alhasan	Amanda Victoria
Cara Gobenciong	Kayli Burke
Isabella Camiso	Hailey Cajigas
Ashley Castro	Nataly Nikolova
Alissa Gonzalez	Beesan Tawil
Madison Schmidt	
Mayela Dorando-Garcia	
Roxanne Ramirez

Chicago Sports

By: George Bazianos & Gianmarco Cervantes

Chicago sports had its ups and downs this year. Here is a highlight of all the teams that represent Chicago:

The Chicago Blackhawks had a record of 36-34-12. They were doing decent in the beginning of the season, but then reached an 8 game losing streak. They broke that losing streak against the Capitals with a score of 7-1. This season, roughly halfway through, 60 year old Joe Quenneville got fired and the Blackhawks hired 33 year old Jeremy Colliton. Joe Quenneville just recently signed with the Florida Panthers, and is already one of the highest paid coaches in the whole NHL.

The Chicago Bulls had a rough season. The Bulls had a record of 22-60. Rumors are being spread that Lonzo Ball will be traded from the Lakers to the Bulls. The trade will be good because Lonzo is a good point guard. The Point Guard right now is Ryan Arcidiacon who has done a pretty good job. They should probably trade Lonzo for Ryan because it would be a really good trade for both of the teams.

The Chicago Dogs season will be starting up soon and they have made a couple trades during the off season. The Dogs traded Matt Dean, Tommy Thorpe, Rubi Silva, and Michael Falsetti. They acquired Jordan Dean for the Sioux Falls Canaries. Their first game is May 17th against the Gary Southshore Railcats. The game is at Impact Field @7:05 PM. Good Luck Chicago Dogs!

McDonald's Fundraiser Night
By: Christopher Avila & Tracy Dulay

McDonald's Teacher Night was an amazing opportunity to fundraise money for our school. This fundraiser was a huge success! We raised \$1,178.76 for our school! Thank you for everyone who came and donated money and shared a dinner together! !

Thank you to all of the teachers who came to McTeacher's Night and helped out supporting the school. Teachers were taking orders, working the drive-thru, making milkshakes and sundaes. We were so delighted because Mr. Anderson, Mrs. Depa, and Mrs. Allen wore the pie costume. It was so hilarious!

Everyone that attended received a coupon for free ice cream cone. We want to thank the Benefit Club for making this night possible.

April Fun Facts

By: Daniel Cortez & Brian Martinez

Here are some April fun facts:

- The birthstone for April is the Diamond which which represents innocence.
- April 5th is Arbor Day.
