

**SPRING GIFT CARD  
FUNDRAISER**

**Order Deadline  
May 10, 2019**

It's time for our last Gift Card Fundraiser for this school year, so we hope you will please consider ordering gift cards to use over the summer months for your daily shopping needs or to use as gifts.

With this fundraiser you purchase gift cards from the school just like you would from a store, but our school receives a percentage back on each card purchased. There are no hidden costs and gift cards are worth their full purchase value.

The list of available gift cards is attached. Orders with payment are due by May 10th. You will receive a phone call when your gift cards are available for pick-up during the week of May 20th. Thanks in advance for your support of this 8th grade Washington DC fundraiser.
