## The Editor's Desk

By: Ana Danz

Our last year in Rosemont School is finally coming to an end once and for all. At the beginning of the year we thought we would never graduate, but with less than a week approaching, I think we'll make it. In my last article I focused on our years throughout our career as Rosemont Cobras. It's time to focus on our last and final year.

This year we learned algebra in math. In social studies we learned about the civil rights movement, the stock market, and the Holocaust. In English we read *The Outsiders* and drank chocolate milk while we ate popcorn. We also presented our powerpoint presentations on our national monuments. In science we learned about waves. We had tons of fun in art making our desserts and letters. In music we learned how to play guitar. Washington, D.C. has come and gone...memories that we will keep forever. What a year it has been!

To end off the year we were having two weeks of matball, our game of choice, in gym. We are going to make the most of our last LAST week as Rosemont School Cobras! Thanks so much for the memories!

Being the editor of our paper this year was my pleasure! I leave my endless joy of reading and writing to next year's editor...good luck!

## From the President...

By: Jimmy Traficanti

Our trip to Washington D.C was a blast! We had so much fun visiting many historical monuments and museums. All of our hard work fundraising finally paid off as we were able to go to D.C and enjoy every minute of our time together.

Family Fun night was last Friday and was really fun. Kids were able to make and decorate a horse to win a race. After the race, the kids were judged on their decoration of their horses. Winners of 1st, 2nd, and 3rd place were able to receive prizes such as a chromebook, a pair of Beats headphones, and an iTunes card. Congratulations to all the winners! We had fun playing in the 8th grade vs. Alumni softball game as we got to play the former graduates from Rosemont School.

It was a pleasure being president this year for so many reasons. I was honored to be able to represent the students of Rosemont School at all community gatherings and social events. I was happy to be a role model by not only participating in all activities, but modeling the importance of receiving good grades and also staying involved in school activities. Thank you for a great year!

## Washington DC

By: Christopher Avila & George Bazianos

Our 8th grade trip to Washington D.C. was an amazing opportunity to learn about the United States of America and its history. Our week was filled with many interesting monuments and museums to visit.

Our class had to leave for the airport at 4 in the morning on Wednesday, April 24th. We arrived in D.C. at 10 in the morning. As soon as we arrived at the airport, we visited the National Archives. Next, we ate lunch at a beautiful park. We went to the Newseum for 2 hours and then headed to the Holocaust Memorial Museum. Our day ended with an awesome dinner at Carmine's and a visit to the World War II Memorial.

Thursday, April 25th started with a delicious breakfast and then we departed to Arlington National Cemetery. We saw the changing of the Guard of the Tomb of the Unknown Soldier. Our classmates, Lina, Michael O, Chris and Arturo presented a wreath at the Tomb of the Unknown Soldier on behalf of Rosemont School. After, we left to go and see the Iwo Jima memorial. It was amazing to see how the flag rises as you drive around it. As we visited the Capitol Building, we took a class picture and a very informative tour. Later, we visited Ford's Theatre. We toured the inside and then went across the street to see the house where Lincoln actually passed away. After a great dinner, we went to the Thomas Jefferson, Martin Luther King Jr., and Franklin D. Roosevelt's memorials.

Friday, April 26th, we departed for Gettysburg, Pennsylvania. When we arrived at Gettysburg, we had a guided tour about the tragic war. After the tour, we had lunch at the Dobbin House, a buffet style treat. Later, we went back to Washington DC to see the Lincoln, Vietnam, and Korean Memorials. We had dinner at at Crystal City Sports Pub. Finally, we went to the Kennedy Center, watched Shear Madness, and we went back to our hotel rooms.

Saturday, April 27th, we went to Mount Vernon to see George Washington's mansion. Then we departed to the Ronald Reagan Washington National Airport to leave and finally go home. We were surprised to find our flight got cancelled.

Our extra days in Washington were spent attending a National's baseball game against the Pedros. Talk about a bonus!
